

SLIDES IN WATER ENTERTAINMENT AREA

FOR CHILDREN

Separate area **MARSAS** is equipped for the little ones where they can swim in the pool with warm fountains of 15 cm deep, ride little slides.

Elder children will have fun to ride the **SRAUTAS** slide. Feel as if carried away by the swift and wild spring. This is an open-type slide with tyres that will give you fresh impressions.
Length - 80 metres, slope angle - 12 degrees.

Attraction **BERMUDAI** - for children over 10 years old. For those who are not afraid of the dark and favour light shows as well as sound effects. Thunder, lightning and various other surprises are waiting for you on the adventurous route "black hole". This is the longest slide.
Length - 212 metres, slope angle - 11 degrees.

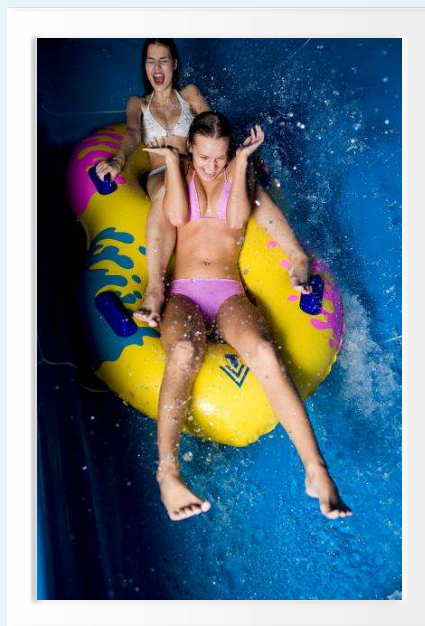

FOR AMATEURS

AZARTAS attraction would suit for those who do not seek sharp experiences but want to have a pleasant ride. Multitude of turns will not allow you to relax.
Length - 107 metres, slope - 12 degrees.

Later you will be able to try the **SRAUTAS** slide that you can ride alone or in pair.

An inflatable tyre gives the feeling of comfort.
Length - 80, slope - 12 degrees.

If you wish to get more impressions and adrenaline, try the **BERMUDAI** slope. You may slide alone or in a pair.
Length - 212 metres, slope - 11 degrees.

FOR EXTREME PEOPLE

If you are a good swimmer and like to dive, choose **SUKŪRYS**. Imagine that you are surrounded by cosmic space and you dart with unusual speed not even feeling your body weight... Suddenly you find yourself in the big closed ball where your acceleration gradually slows down while you are falling into the water pool. Revitalising your body and feelings!
Length - 40 metres, slope - 28 degrees, depth - 1.9 metres.

ADRENALINAS The largest part of the track is outdoors; still, you will not feel cold even during winter. Your blood will be heated by the great speed and a rush of adrenaline.

Length - 80 metres, slope - 24 degrees.

Have you ever been in the state of weightlessness? If you favour extreme situations, **EKSTREMALUS** slide is best suited for you. Great speed and emotional flow will not allow you to relax. You will not even realise the moment when the refreshing water wave brings you back to reality.

Length - 140 metres, riding speed about 50 km/h.

In Druskininkai Aqua Park - even 6 water slides of 40 to 212 metres length!
